The Scott Wolf Scholarship Fund FAQ

How do I go about getting recommendations submitted?

- Both the Academic and Personal Recommendation must be completed via a unique link you will send to your recommender when completing the application.
- The recommender will complete a survey and have the option to submit a narrative for the student.
- These recommendations are completed via email; therefore, there is no need for a printed or uploaded recommendation.
- Your recommender must submit the recommendations by the application deadline for your application to be considered.

Financial Amount Awarded:

- Award amounts vary based on the number of applicants and available funds.
- Recent awards have averaged \$1,000 per recipient
- Scholarships do not need to be repaid.

Payment Process:

- Scholarship payments are made directly to the educational institution and issued before the start of the fall semester. Payment is split between the fall and spring semesters. For recipients graduating in December, the full amount will be applied in the spring semester.

Is the scholarship renewable?

- Recipients will be able to complete a renewal application and be considered for the funding year to year as long as they still meet the fund's criteria.

Who manages the scholarship?

- The scholarship is administered by the Community Foundation of Middle Tennessee on behalf of Averitt, Inc.
